

E. CONCLUSIONS: TRENDS AND DIRECTIONS

- Since UNCED, a number of important new instruments have been adopted and the negotiation of other continues.
- Relevant instruments are:
 - **the 1997 Kyoto Protocol** to the 1992 Climate Change Convention;
 - **the 2000 Biosafety Protocol** to the 1992 Biodiversity Convention.Both instruments reflected the new approach of international regulation and the role of various actors, including the **private sector**.
- In **1998**, under the auspices of the UNECE, States adopted the **Aarhus Convention**, the first treaty to address the rights of participation reflected in Principle 10 of the Rio Declaration.
